

RESOLUTION 2024-11D BY The Rural Municipality of Kingston

Date: November 26, 2024

It is moved by - Darlene MacDonald

and seconded by - Tom Coady

that the Rural Municipality of Kingston shall establish two community projects aimed at improving municipal and community services to the residents of the municipality, to decrease GHG emissions associated with the Emyvale Rec Centre and to lessen the Municipal annual operating costs associated with the operation of the centre. To that end the following two projects have been approved and the CAO and the Finance and Infrastructure committee have been authorized to pursue Provincial and Federal funding for the purpose of completing the projects:

- 1. Emyvale Recreation Centre Addition and Renovation Project**
 - a. Project plans presented and approved by council
November 26, 2024.**
 - b. Project details include:**
 - i. A 20 x 32 foot addition to the south side of the centre which will include: Municipal office space, new entrance and foyer, a fully accessible washroom, an accessible shower, laundry facilities, new north exit allowing limited access to existing washrooms, new beverage serving area, janitorial station, new safe access to basement and utilities, electrical and plumbing upgrades and improve accessible ramps.**

2. Emyvale Recreation Centre Solar Electrical Upgrade Project

a. Project plans presented and approved by council

November 26, 2024.

- i. South roof replacement with steel roofing.**
- ii. Installation of up to 18 kW of solar panels.**
- iii. Removal of existing furnace, flue and oil tank.**
- iv. New electric/heat pump combination furnace.**
- v. Establishment of a net metering agreement with Maritime Electric.**
